

March 19, 2020

While we wait for the circumstances surrounding the COVID-19 pandemic to unfold, we are doing our best at Camp Rudolph to plan for the coming months. Above all else, we are trusting God to provide for all of us as we need, and we take comfort in the knowledge that our God reigns over all. We are asking God for His wisdom as we navigate this unprecedented situation.

At this time, we are suspending all activities at Camp Rudolph until after May 9th. We understand that this is a fluid situation and things may change rapidly. We are making decisions based on current information and will update more as changes are made.

That being said, here is our plan for our Spring and Summer activities:

- All work parties will be postponed until after May 9th.
- The Ladies Retreat will be rescheduled for the Fall (dates TBA)
- The 5k Trail Run will also be postponed until the Fall (date TBA)
- We will NOT be accepting retreat groups until after the May 9th date.
- Family Camp will proceed as scheduled as of now
- Summer camp will proceed as normal as of now

It is our hope that by May 9th we will be able to go on with daily life together. We will adjust plans as necessary based on prayerful consideration and as we follow the regulations and advice of local, state, and federal agencies, and will do our best to effectively communicate any changes as decisions are made. In the meantime, we will be updating our policies concerning health and safety as summer approaches. We hope you will plan to join us at camp when the opportunity arises. If you have any questions about Camp Rudolph's upcoming programs, please don't hesitate to contact us.

Blessings to you all as we continue to seek God's guidance for what is best for His kingdom, for His glory, and for His purposes.

In Christ,
